# 2023 Genesis GV70 Safety

## Safety Features & Technology

### **Forward Collision Avoidance Assist**

Every new GV70 luxury compact SUV comes with many standard driver aids. Forward collision warning also includes automatic emergency braking, plus junction turning assistance.

### **Blind-Spot Collision Avoidance Assist**

Along with rear cross-traffic alert — which is also standard in the GV70 luxury SUV — blind-spot monitoring warns drivers of vehicles in adjacent lanes, as well as other hazards like pedestrians when reversing out of a parking space.

### **Highway Driving Assist**

Yet another standard item in the 2023 GV70 SUV, this provides steering assistance to keep the vehicle between the lane markings. It lightens the driver's load on long freeway stretches, but doesn't take over completely.
